

Dear Family:

This is a wonderful year of learning for your child. The help and support you have given are making a big difference.

We shall continue to work with short vowel words, however, we are now ready to add **consonant blends**.

A blend is two consonants together that each make a sound, as in the word "**s t o p**" - the /s/ and the /t/ each make a sound.

A blend is different from a digraph which has two letters but only one sound, such as in the word "**sh o p**" - the /sh/ makes only one sound.

Blends can come at the beginning of a word, such as "**s t o p**", or at the end of a word, like "**p e s t**".

Remember, in a blend each sound will get a separate tap.

Here we go!

Sincerely,

Homework Guide

Review **consonant blends** with your child during the next 3 weeks.

Follow These 4 Steps:

1. Dictate the word and have your child echo the word.
2. Have your child tap out the sounds. This is extremely important. Each sound must be tapped on a

different finger. The word “**stop**” will have four taps. Do not tap trick words.

3. Have your child tell you the letters that go with those sounds.
4. Have your child write the letters. Remember, it is helpful if you say the letters as your child writes.
